

Keita Turner is an award-winning and nationally published interior designer who creates *Enduring Fashionably Classic Designs*.

Born in Houston, Texas and raised in St. Louis, Missouri, Turner is a graduate of the Rhode Island School of Design and has an extensive background in both fashion and interior design. Her acclaimed full-service interior and product design studio, **Keita Turner Design**, offers expertise in residential and commercial interior design, with a focus on full-scale renovations, new build construction, and fully furnished surroundings. Working closely with architects, builders, contractors, artisans, and custom furniture makers, **Keita Turner Design** has produced environments for numerous high-profile clients across the country and beyond. With over twenty years of experience guiding her clients and helping them realize their design dreams, Turner produces interiors characterized by a confident, chic and ageless elegance that

invigorate, inspire, calm, and balance the senses. Turner's business is about creating transformative, fashionably enduring designs that are clean and functional, warm and inviting, suitable and inspirational, but most importantly that uplift the human spirit.

Using the client's lifestyle as her canvas, Turner designs environments that both adapt to and convey the motivations, ethos, and habitudes of her clients. Turner personally understands the effect an environment can have on one's life or business. Keeping that design perspective in mind, Turner develops surroundings that will play a valuable role in the life her clients want to lead. Turner's goal as a design professional is to provide her clients with satisfaction, balance, order, esthetics, productivity, challenge,
