KEITA TURNER DESIGN

Designer: Keita Turner. **Company:** Keita Turner Design, New York, USA. A full-service interior and product design studio with a focus on full-scale renovations, new build construction, and fully furnished surroundings. Working closely with architects, builders, contractors, artisans, and custom furniture makers, Keita Turner Design has produced environments for numerous high-profile clients across the USA and beyond. Current projects include a waterfront Mediterranean-style home in Florida, a luxury high-rise condominium in Georgetown, Washington, DC, a new build home in North Carolina and residential condominiums and town houses in New York City and Northern New Jersey area. Recent work includes a Victorian craftsman bungalow home in historic Ditmas Park, Brooklyn, a co-op apartment in Williamsburg, Brooklyn, NY, condominium apartments in Manhattan, NY, and The Winter Show window display at the former Barneys New York, and the Alden Parkes Showhouse **Design philosophy:** creating transformative, enduring designs that uplift the human spirit.

Book

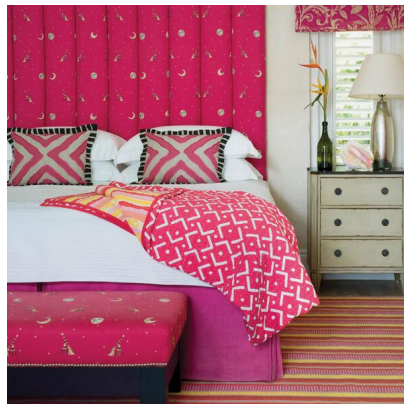

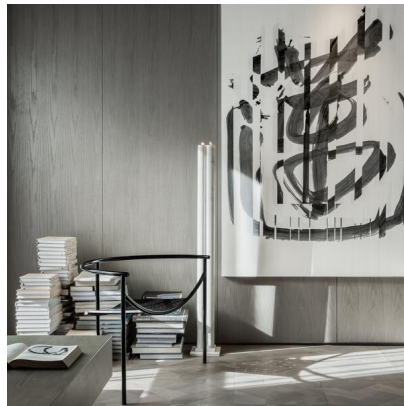

Interior Design Review Book Volume 26

Volume 26 of the annual Interior Design Review Book features works from the world's top 100 interior designers of 2022. From clean-line purity to the ultimate maximalist explosion, it delivers the most renowned, innovative, and exceptional interior design and architecture of the past year. Richly illustrated with over 1000 colour photographs and with 500 pages of the latest interior styles and trends, this annual publication is celebrating its 26th year.

Dubbed 'the Bible of interior design' it has become THE catalogue of design, illustrating social and political movements as well as cultural lifestyles over the last quarter of a century. An indispensable reference book and unbeatable source of inspiration for design professionals and aspiring interior designers alike.
